WONDERFLOOR

TRANSPORT FLOORING & PVC LEATHER

**MADE
in
INDIA**

RMG Polyvinyl India Limited, an ISO 9001:2015 systems approved company and is one of the largest manufacturer and exporter of PVC Floor Coverings in India with annual production in excess of 40,000MT (27 Million Sq meters) of residential & heavy duty floorings. Winner of Top Export Award for PVC floor Coverings since several years, the products are exported to Asian countries, Europe, Gulf, Africa and the Americas.

RMG's state-of-the-art plant is located at Sikandarabad (UP) in the Delhi NCR region, the capital of India. The factory boasts of modern calendaring, LVT & cushion vinyl lines to deliver the widest range of flooring products which meet international requirements for abrasion, low smoke & fire retardant properties.

The factory also produces PVC leather, PVC Films & PVC Geomembranes.

RMG's flooring is marketed in India and overseas under the flagship brand WONDERFLOOR. The Wonderfloor product range includes floorings for home interiors, offices, education, healthcare, factories, buses & rail coaches, aerobridges, supermarkets, porta cabins, prefabricated shelters and almost all interior applications.

TRACTION/SAFETY

Transport Floorings

SAFETY are special floor coverings embedded with Silicon Carbide (Corundum) grains on the top surface which provide a very high slip resistance rating. Due to a superior PVC content and Silicon Carbide Grains, these floorings can withstand very high abrasion and are most suitable for areas where there is heavy footfall & anti-slip properties are required.

Salient Features

- Produced as per ISO requirements and with Fire & Smoke emission requirements which are most important for the transport industry
- **Product is "T" rated due to its very high abrasion resistance properties**
- Available in Plain colours or with Multi Coloured Chips and also with Glass Scrim Reinforcement for very high Dimensional Stability
- Application Areas: Transport sector like Buses, Trains, Lifts, Loading Ramps, Walk ways, Wet Areas, etc

** Against bulk quantity order only

MATRIX/STUD

Transport Floorings

Matrix Embossed Flooring is meant to provide extra grip for safe movements. It is available in a wide range of deep embossed designs which provide a surface which enhances slip resistance. Attractive patterns like Coin, Chequered Plate, Dew Drops, Hexagon, Diamond, etc are some of the hot favourites among our customers.

Salient Features

- Available in solid colours with homogeneous or heterogeneous type in various embossing on the top layer in pleasant metallic colours, like aluminium, copper, gold, etc or in solid colours like Black, Red, Yellow, etc
- They are 'M' or 'P' rated depending upon the thickness and have a slip resistance of R10
- Product is suitable for sale in Europe and fire safety approvals have been obtained from European labs
- Choice of Colour may be customized on the basis of customer preference
- Matrix is also available with polyester non woven or jute backing which provides enhanced sound and thermal insulation
- Trains, Lifts, Loading Ramps, Walk ways, Wet Areas, etc
