

School and Fitness Flooring

Made in India

RMG Polyvinyl India Limited, an ISO 9001:2015 systems approved company and is one of the largest manufacturer and exporter of PVC Floor Coverings in India with annual production in excess of 40,000MT (27 Million Sq meters) of residential & heavy duty floorings. Winner of Top Export Award for PVC floor Coverings since several years, the products are exported to Asian countries, Europe, Gulf, Africa and the Americas.

RMG's state-of-the-art plant is located at Sikandarabad (UP) in the Delhi NCR region, the capital of India. The factory boasts of modern calendaring, LVT & cushion vinyl lines to deliver the widest range of flooring products which meet international requirements for abrasion, low smoke & fire retardant properties.

The factory also produces PVC leather, PVC Films & PVC Geomembranes.

RMG's flooring is marketed in India and overseas under the flagship brand WONDERFLOOR. The Wonderfloor product range includes floorings for home interiors, offices, education, healthcare, factories, buses & rail coaches, aerobridges, supermarkets, porta cabins, prefabricated shelters and almost all interior applications.

KRAYONS | School Floorings

Krayons is the colorful range of flooring in lively natural shades to add freshness, cheerfulness and joy to the interiors. Krayons is a designers' delight and a medium to get imaginative by mix-and-match of different shapes, sizes and colours.

These are suitable for semi commercial usage like kids schools, residential floorings & office areas. These floorings have a cushion layer with Glass Fibre Tissue (GFT) impregnation for dimensional stability, lay flat properties, easy installation and sound absorbing property.

The surface is PUR treated to ensure quick cleaning and easy maintenance. Even marks left by a permanent ink pen can be rubbed and cleaned without much effort.

Salient Features

- Superior shock absorbing cushion base layer
- Specially formulated high abrasion resistant wear layer
- **PUR** surface protection for ease in maintenance with stain resistance
- Glass Fibre Impregnation to provide high dimensional stability
- The product is suitable for medium traffic areas
- **Application areas:** Pre Schools & Kindergarden schools, Sports courts, fitness centre, schools, yoga centres, hospitality etc.
- **Wear Group P**

 Slip resistant and impact resistant for child safety

Multiple layers for multiple benefits

Wonderfloor's **Braavo & Krayons** incorporates **WONDERGUARD** state of the art technology which have exhibited 99.9% inhibition in growth of microbial activity under test conditions and also support clean condition requirements for hygiene

MAINTENANCE

Do's: • After laying of flooring, the surface should be cleaned daily with damp mop and weekly or fortnightly with soap solution • Prevent point load indentation by covering your furniture legs with rubber stopper caps • To remove stubborn stains, rub the affected area immediately with a soft coir brush or fine steel wool soaked in a warm soap solution • Scuff marks on the floor can be removed with little application of diesel • Use door coir or suitable mats to minimize accumulation of dust on Wonderfloor vinyl flooring • Use water to remove any chemical spill on flooring.

Don'ts: • Do not use any strong detergent, harsh cleaning agent or dry steel wool • Throwing of lighted cigarette butts or match sticks on the floor should be avoided as it could lead to burn marks on the floor • Do not drag any heavy object or furniture on the flooring to avoid scratches on the floor.
