

Made in India

RMG Polyvinyl India Limited, an ISO 9001:2015 systems approved company and is one of the largest manufacturer and exporter of PVC Floor Coverings in India with annual production in excess of 40,000MT (27 Million Sq meters) of residential & heavy duty floorings. Winner of Top Export Award for PVC floor Coverings since several years, the products are exported to Asian countries, Europe, Gulf, Africa and the Americas.

RMG's state-of-the-art plant is located at Sikandarabad (UP) in the Delhi NCR region, the capital of India. The factory boasts of modern calendaring, LVT & cushion vinyl lines to deliver the widest range of flooring products which meet international requirements for abrasion, low smoke & fire retardant properties.

The factory also produces PVC leather, PVC Films & PVC Geomembranes.

RMG's flooring is marketed in India and overseas under the flagship brand WONDERFLOOR. The Wonderfloor product range includes floorings for home interiors, offices, education, healthcare, factories, buses & rail coaches, aerobridges, supermarkets, porta cabins, prefabricated shelters and almost all interior applications.

MATRIX | Transport Floorings

Matrix Embossed Flooring is meant to provide extra grip for safe movements. It is available in a wide range of deep embossed designs which provide a surface which enhances slip resistance. Attractive patterns like Coin, Chequered Plate, Dew Drops, Hexagon, Diamond, etc are some of the hot favourites among our customers.

Salient Features

- Available in solid colours with homogeneous or heterogeneous type in various embossing on the top layer in pleasant metallic colours, like aluminium, copper, gold, etc or in solid colours like Black, Red, Yellow, etc
- They are 'M' or 'P' rated depending upon the thickness and have a slip resistance of R10
- Product is suitable for sale in Europe and fire safety approvals have been obtained from European labs
- Choice of Colour may be customized on the basis of customer preference
- Matrix is also available with polyester non woven or jute backing which provides enhanced sound and thermal insulation
- Trains, Lifts, Loading Ramps, Walk ways, Wet Areas, etc

MAINTENANCE

Do's: • After laying of flooring, the surface should be cleaned daily with damp mop and weekly or fortnightly with soap solution • Prevent point load indentation by covering your furniture legs with rubber stopper caps • To remove stubborn stains, rub the affected area immediately with a soft coir brush or fine steel wool soaked in a warm soap solution • Scuff marks on the floor can be removed with little application of diesel • Use door coir or suitable mats to minimize accumulation of dust on Wonderfloor vinyl flooring • Use water to remove any chemical spill on flooring.

Don'ts: • Do not use any strong detergent, harsh cleaning agent or dry steel wool • Throwing of lighted cigarette butts or match sticks on the floor should be avoided as it could lead to burn marks on the floor • Do not drag any heavy object or furniture on the flooring to avoid scratches on the floor.
